ENGAGE – THE WORD

Read: Ezekiel 47: 1-2

Give the Homecell chance to pray and have a ministering moment like we did on Sunday Morning.

Ask the members the following questions to get back to the word:

- Can you give us a summary of what you took from the series *THIS IS THE HOUSE OF GOD*, from last week Sunday and this past Sunday?
- What stood out from you from this Sunday?
- Does anyone want to share a testimony, of how good God has been taking into account the past two Sundays?

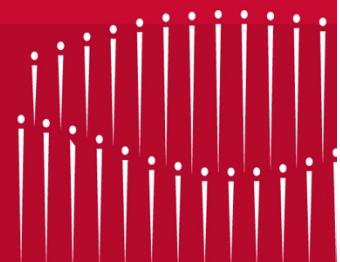

Okay let us get into the word:

Read: Ezekiel 47:1-2 & Psalm 46:4

Pastor said: The river of God flows from His presence, first to us then through us!

- What does it look like, in real life, for the river of God's presence to flow to us before it flows through us, and what happens when we try to reverse that order?
- How have you experienced God's presence filling you first, and how did that change the way you poured into others?
- What blocks the river of God's presence from flowing freely through us, and how do we recognize when we're operating on empty?
- If God's presence is meant to flow outward bringing life, healing, and restoration, what might that look like through us in our everyday lives this week?

Pastor also said: The river must flow or the church loses life and becomes a swamp!

- **Ezekiel 47:9 says “everything will live wherever the river goes.”**  
Where do you see evidence of life when the church moves outward and what happens when it doesn't?
- **The image of a church becoming a swamp is a loving warning.**  
What are some signs that a church or an individual believer may be holding the river instead of releasing it?
- **A church that only gathers and never goes loses relevance, mission, and spiritual life.**  
Why do you think “going” is essential to staying spiritually alive, not just to reaching others?

In conclusion ask the members:

- What are you going to do different this year to make sure that you are not a swamp?

*Altar call*
