

**For unto you is born this day in the city of David a Saviour,  
which is Christ the Lord. – Luke 2:11**

December 2023

Dear Partners in the Lord,

As we begin the Christmas Season and have time to pause and remember our Savior's birth, it is hard to believe that we have been in the States for a little over a month already! We are having a blessed time as we visit many of our supporting churches as well as our family. We are so grateful for the time that we have to get to know our grandchildren a little better. We were able to celebrate our granddaughter Eliana's fourth birthday as well as our grandson Will's second birthday. That was such a joy! We are also thankful that we were able to spend Thanksgiving with our family and we will be able to spend Christmas with two of our sons. Nathan is not able to make it for Christmas but plans to come in January.

We are blessed to have a full church schedule that gives us the opportunity to update our supporting churches with all that God is doing at Hope In Christ Baptist Church in Fisaantekraal.

We are enjoying our time here, but we miss our church family in South Africa. We have been able to stay in contact with many of them over social media. Everyone seems to be doing well and Pastor Filip and Amy LeRoux are busy serving at Hope In Christ Baptist Church while we are away. We look forward to getting back in February and working alongside them as we serve the Lord together and watch Him build His church.

Please be praying for us to be able to find a new church transport vehicle when we return. We most likely will be also using this vehicle for our personal use as well. We no longer have a need for both the van and a car. We have around \$13,000 in a vehicle account but we will need to raise around \$2,000 more. If you are interested in giving towards a new van, you can send it to **ABWE, PO Box 8585, Harrisburg PA 17105 or online at [www.abwe.org](http://www.abwe.org). Please designate the donations to "Jim and Terry Miller Account No. 0132781, Sub-Account 022 Vehicle.**

**We also are a little over \$225 short on our monthly support requirement.** Part of that shortage is due to an increase in our health insurance premium. For us to get our financial clearance to return to South Africa on February 21, we will need to raise that amount. We are praying for God to supply that need so we can return and serve the Lord in the ministry He has called us too.

Please continue to pray for our co-workers Cal and Sue Lewis as they are busy with both Faith Fellowship Church and Tybergerg Baptist church. Also be praying for Filip and Amy LeRoux, who are heading up the Fisantekraal ministry while we are in the States.

We are so grateful to you all for your love, prayers, and support. It is a joy serving the Lord alongside all of you. We want to wish you all a Merry and Blessed Christmas and a Happy New Year!
