1984-2024
Here's to 40 Years!

Bryce Jordan Center

Hello PRC Family,

"May the Lord cause you to flourish, both you and your children." Psalm 115:14

This year, we are celebrating our 40th Anniversary of serving our community. *Isn't that amazing!?* Every year, the PRC Board of Directors votes on a vision verse of the year, and it is always fun to share that verse with the PRC family of volunteers and supporters.

In Psalm 115, we are encouraged to honor the Lord, trust the Lord, and praise the Lord. He promises to fill us with more, blessings upon blessings, heaped upon His children, their children, and their children. He is the maker of heaven and earth, and encourages us to enlarge our families, causing us to flourish with everything good that can only come from Him.

If you have spent any time lately with a PRC staff member or volunteer, you will often hear us talking about how we are not just pro-life; we are pro-abundant-life. We want one another and our clients to experience a life

full of God's blessings, fullness in Christ, and a life that overflows with His blessings.

On April 9, 2024, we will celebrate 40 years of service to our communities, and we want you to be a part of it! Kirk Walden will be our guest speaker! A banquet with Kirk is one with humor, vision, challenge, and hope. Will you join our 950+ guests who have one vision: to support PRC so that we can minister at our very best in Centre and Clinton counties? I'm not one to brag, but I hear it's a party you don't want to miss. I hope you can join us!

Go to scprc.com or scan the QR code to register. Also, if you or your business would love to be an underwriter for the banquet, please let us know. We would love to have you! See you on April 9th at the Bryce Jordan Center!

Because flourishing matters,
Jenny M. Summers

- Andrea McGregor, RDMS, *Diagnostic Medical Sonographer*
- Greg Tressler, RDMS, *Diagnostic Medical Sonographer*

Every December, PRC hosts a Holiday Open House to invite the community inside our doors and gain a better understanding of what really happens in this space. This winter, we were so excited to be able to host the event at 53 W. Main Street in Lock Haven where we will soon be opening our doors to serve clients!

Since its first public unveiling last fall, the building has undergone some incredible changes. Contractors, staff members, and volunteers have dedicated hundreds of hours to transform the space to meet our needs while still preserving the historic beauty of the facility. It has been so encouraging to see how God has lined up each detail and connected us with the perfect people along this journey.

On Monday, December 4th, we invited our communities to come and see all that has been done, and more than 300 of you showed up! Every room was bursting with energy and excitement as guests toured the building, finally able to envision how each space will be used to educate, encourage, and empower men and women to make informed life choices. Our friends at Big Woods Bible Church, Bible Mission Church, and Leo's Italian & Specialty Foods generously provided an incredible assortment of refreshments that were enjoyed throughout the evening.

We are so grateful for each of the volunteers who helped make this event run smoothly, Susquehanna Honey Bee Co. for providing favors, and Rizzo's Landscaping for providing wreaths and greenery around the building. If you were able to join us, we want to know how much we appreciate you choosing to spend time with us. If you were not able to join us, we hope you can schedule a tour at some point in the future. And we hope to see many of you at our upcoming banquet on Tuesday, April 9th!

Special thanks to Dear Grace Photography and Garo Goodrow for capturing photos of the event!

PREGNANCY & PARENTING GROWTH NIGHTS

In February 2023, PRC made an exciting new addition to our Pregnancy and Parenting Education services. Since we were seeing a diminished interest in a weekly mom's group, in addition to women wanting their husbands or partners to attend, we decided to change things up. We launched a new monthly event, PRC's Pregnancy & Parenting Growth Nights. On the third Tuesday of each month, we invite men and women who are expecting or parenting a child aged two or under, to attend. This event is filled with great information from a guest speaker, sharing knowledge on a subject related to pregnancy and parenting. Speakers have educated moms and dads on a variety of subjects including car seat safety, breastfeeding, budgeting, nutrition, and infant and child development. Our guest speakers are professionals who graciously give of their time and impart their knowledge in their area of expertise. Domino's Pizza on North Atherton generously donates pizza each month, and meal volunteers provide veggies, fruit, and desserts. Our amazing team of Parent Advocates and Childcare volunteers help to make each evening a success, by interacting with the parents and allowing us to provide childcare.

Over the past year, 44 clients have attended Growth Nights! Also, donors and volunteers have participated and found the information to be both informative and encouraging. It has been valuable to offer something that includes both moms and dads to educate, encourage, and empower them on their journey as parents. Please spread the word about Growth Nights, and encourage pregnant or parenting mothers and fathers to register!

TAKE THE FIRST STEP TOWARD FREEDOM.

ABORTION RECOVERY CARE GROUP

If you've experienced an abortion, you may look, talk, and act like everyone else but may not feel like everyone else. Have you ever wondered what life could look like if you began your journey towards healing from the emotional pain you experience because of a past abortion decision? We invite you to join us for a 10-week closed group as we learn together how to live in freedom.
