Youth will be able to play XBOX systems, Pool Table, Foosball, Air Hockey, and other games. They will be given a small bible study and a small snack. All are welcome. They can go in and out. There is minimal supervision, this is not a daycare, nursery, or school. Kids are responsible to follow the rules when on the property and may come and go as they please. Harvest holds no liability and is considered an open playground and yard. **PLAY AT YOUR OWN RISK.** Youth will not be allowed to cuss, fight, horseplay, or shout or yell in an abrasive or aggressive manner. Parents are welcome to come and supervise only with the supervision of the Church staff. The youth center can open and close at the discernment of the person supervising. Times and days may vary due to weather, daylight, holidays, and other special events or maintenances. Theft, violence, littering, or any criminal activity is not tolerated. Please help us by instructing your children to obey the rules, enjoy themselves, and to help us keep this a clean and safe environment for the community. If you have any questions, please let us know. We pray that we can be a blessing to you and your family and this neighborhood. Thank you!
