

A New Name - Genesis 31-32

1. Jacob stayed faithful under Laban's schemes (Genesis 31:6–9). Where are you tempted to cut corners instead of remaining faithful, and how might God be calling you to trust Him in those unseen moments?
2. Rachel and Leah admitted their father had treated them as outsiders (Genesis 31:14–16). How does this remind us that following God sometimes means leaving behind unhealthy family patterns or expectations?
3. Rachel stole her father's idols (Genesis 31:19). What "idols" do people today still cling to for security or identity, and how can we lay those down before God?
4. Jacob could defend his integrity before Laban (Genesis 31:36–42). If someone examined your life closely, what would they find?
5. Proverbs 10:9 says integrity brings security. How have you personally experienced peace by walking in honesty and obedience?
6. Jacob prayed honestly before meeting Esau (Genesis 32:9–12). How can bringing our fears to God in prayer reshape the way we face relational conflicts?
7. Jacob's new name, Israel, marked a new identity (Genesis 32:28). How does 2 Corinthians 5:17 remind you that your identity is secure in Christ, no matter your past?
