OCEANSIDE

A Passion for Holiness – Numbers 25:1-13

1. If the call on our life is to be HOLY, set apart from the world and consecrated to the Lord, why do our lives look so similar to the world around us?
2. Where specifically is the Lord calling you to “come out and be separate” and what are you going to do about it?
3. How do we foster an attitude like Phinehas toward sin in our hearts and homes, instead of a tolerant attitude like Lot.
4. What will you do today, this week, and going forward to guard holiness in your life?
5. How do we avoid being legalistic in our passion to be set apart, holy to the Lord?
