

## From Compromise to Cleansing - Genesis 34 & 35

1. Genesis 34:1–2 Dinah’s decision to “go out to see the women of the land” led her into danger. How can we guard our hearts and homes against curiosity that draws us toward compromise?
2. Genesis 34:13–29 Simeon and Levi took vengeance into their own hands. Why do you think revenge often feels justified, and what does Romans 12:19 teach us about letting God handle justice?
3. Genesis 34:30–31 Jacob rebuked his sons out of fear rather than righteousness. How can fear of consequences cause us to minimize or ignore sin instead of confronting it biblically?
4. Genesis 35:1–4 When Jacob called his household to “put away the foreign gods,” it required a spiritual house cleaning. What “foreign gods” or compromises might God be calling you to remove from your life today?
5. Genesis 35:5–7 As Jacob obeyed, God’s protection fell upon the surrounding cities. How have you seen obedience to God bring peace or protection in your own walk?
6. James 4:7–10 Cleansing and humility go hand in hand. What practical steps can you take this week to submit to God, resist temptation, and pursue holiness?
7. Genesis 35:14–15 Jacob built an altar after his renewal at Bethel. What spiritual markers or disciplines can you establish to remind yourself of God’s grace and your renewed commitment to Him?
