

Hospitality and Intercession - Genesis 18:1-33

1. What does it mean to show hospitality to God first? What would that practically look like in your daily life this week?
2. In what ways do you tend to give God your leftovers rather than your best? (Time, energy, affection, etc.)
3. Have you ever laughed—out loud or inwardly—at a promise from God because it seemed impossible? What happened?
4. Why do you think God sometimes repeats His promises to us in new seasons? How has that happened in your life?
5. Are you more likely to receive God's plans or resist them when they interrupt your own? How can you grow in this?
6. Who are you currently interceding for in prayer? Is there someone far from God you need to begin praying for today?
7. When God's answer is not what you hoped for, do you still trust Him? What helps you surrender in those moments?
