

# What's happening in January with FOOTHILLS SENIORS

To connect seniors to Jesus and each other and help them grow to love and serve Him.

Greetings to all Seniors at Foothills Church~

After being on Christmas and New Year's break for the last two weeks, we can hardly wait to be together again "just praising the Lord"! Here's what we have to look forward to starting this Wednesday.

## **January 7: Dr. David Jeremiah: *A.D. The Revolution that Changed the World, "Wind and Fire"***

Continuing in our 1<sup>st</sup> Monday video series in the Book of Acts, the disciples are filled with the Holy Spirit and are empowered to carry out their mission to take the Good News of Jesus Christ to all the world. They will discover that the power and guidance of Jesus are infinitely personal, and they are filled with more joy, love, and courage than they had ever imagined possible. Dr. Jeremiah will give us a front-row seat, and we get to discuss what we've learned at our tables.

## **January 14: Nancy Curtis, "Hope for the Cracked Pot"**

Even though it's common knowledge that we're all imperfect, it's accurate to observe that most of us make every effort to cover up our imperfections, to hide our weaknesses, and to conceal our mistakes in order to make others think we've got it all together. We prefer that no one knows that we struggle, have doubts, and have failed. Nancy looks forward to leading us in looking at a few flawed Bible personalities and what they can teach us about managing our own imperfections.

## **January 21: Rick Parsons, "Walking the Line"**

The shortest distance between two points is a straight line. In life, your first point is today -- now! The trick is to know where your second point is. Are you walking a straight line or a more strenuous crooked line looking for your second point? The Bible has given us direction and instruction to help walk the line of life, the time between now and then. Rick will share some biblical discoveries that have helped him walk the line even now as he approaches the glory filled finish line.

## **January 28: Jay Miser, "God's Grace, Healing, and a Call to Submission"**

Jay will share his testimony about God's miraculous provision in his battle against cancer and his wife's healing from Lupus. This isn't so much a story about physical healing as it is about their spiritual growth. Join us as Jay discusses God's

grace and faithfulness, His bestowing peace, His calming fears, and ultimately His leading to a place of submission to his will.

So there you have it – a series of programs that will inform, inspire, and encourage us in our faith walk with the Lord. There's music that we love every week plus warm fellowship over cookies and coffee. We meet every Wednesday at 1:00 pm in the Worship Center. We look forward to seeing you soon!
