

FOOTHILLS SENIORS OCTOBER PREVIEW

To connect seniors to Jesus and each other and help them grow to love and serve Him.

Dear Foothills Church Seniors ~

Foothills Seniors is all about enriching our lives spiritually, socially, and even physically. Just take a look at our October activities we have planned for you!

October 1: Dr. David Jeremiah video: “A God-inspired Life”

We have been given the gift of an amazing life to live, but how will it be powered? Answer: by the indwelling Holy Spirit, the source of all spiritual fruit and gifts. Dr. Jeremiah will lead us in discovering how dependence on the Holy Spirit is the only way to manifest the fruit of the Spirit and live the “more abundant” life that He promised and the life that is pleasing to Him. A favorite part of our Jeremiah days is responding around our tables.

October 8: Sierra Songsters in concert

The Sierra Songsters will once again have a wide variety of songs from Sunday School favorites, folk, Hit Parade and show tunes, rock-n-roll., gospel, and country western. Bring your imaginary umbrella for “Singing in the Rain” and sway to the “Rhythm of the Rain” while you see “Pennies from Heaven” fall from the skies. We’ll have “High Hopes” as we remember our “Favorite Things.” It’s going to be a fun time of musical fun and reflection!

October 15: Randy Hodges, “The Heavens Declare”

The heavens declare the glory of God; the skies proclaim the work of his hands. Psalm 19:1 The more we learn about the universe, the more we understand the greatness of our mighty God! Modern science has revealed mindboggling details about our immense and beautiful Cosmos. Randy is the Chief Docent at the Community Observatory in Placerville, and he will be sharing images and details from his knowledge and experience. Expect to be amazed and educated!

October 22: Scam Workshop

Scams are out of control; what looks or sounds legitimate might actually be fraud, and it’s hard to determine which it is. For that reason, a detective from the Fraud Division of the El Dorado County Sheriff’s Office and a specialist who works in Cyber Security will conduct a workshop for our benefit and protection. They will share the types of scams coming at us now as well as how to determine what’s real and what’s fraud, and there will be a Q & A time. Invite your friends!

October 29: Annual Chili Cookoff and Potluck

Put on your jeans and boots and mosey on down to the church Auditorium at 12:00 noon for a hot bowl of chili and all the fixins. Sign up to enter the competition

and bring a crockpot of your favorite chili—our pastors will judge the entries and there will be prizes for the winners. Or you can bring a side dish, condiments, cornbread, or dessert. After our delicious lunch, we'll enjoy musical selections with Ranell Coleman, worship leader at New Hope Fellowship, who will treat us to country tunes and little bit of worship. Signups start next week at Foothills Seniors.

Now that's quite a line-up of wonderful programs – some to inspire, some musical, some to inform, some to socialize, and all to bless. What we do is special, and we love to embrace new friends. You'll be greeted before you even enter the building as well as when you're inside, and our first time friends get a gift. There's good music, friendly people, and cookies! We're in the Worship Center at 1:00 every Wednesday except for the potluck at 12:00 noon in the Auditorium. We look forward to seeing you soon!
