

Who We Are

WE ARE A FAMILY OF FAITH that gathers together weekly to worship Jesus Christ and to serve others. We believe that Jesus is Lord. That means all authority has been given unto Him and He is over all things. We choose individually to make Him the Lord of our lives and we assemble together to worship Him with ancient and contemporary expressions of Christian worship.

We seek to obey our Lord and disciple all people in the teachings of Jesus. We believe every believer is empowered by the Holy Spirit and can consistently give witness to the experience of His power in their lives. We seek to be a Spirit-led church that follows His voice and is built up by the revelation of truth from the Father. We believe God gives a five-fold ministry of leadership to the church for the equipping of saints in order that each believer may fulfill the work of ministry. We believe the Holy Spirit empowers every believer with a spiritual gifting that is necessary for the maturity of the entire church.

PROPHESIED! The Miraculous Prophecies of the birth of Jesus Christ. I hope you will be present during the month of December as we examine four of the major prophecies that were given hundreds and some over a thousand years before His birth. There has never been a birth like the birth of Jesus Christ. He fulfilled hundreds of prophecies. We use the Christmas tradition to celebrate annually the birth of Jesus Christ.

Christmas Eve is always special at The Church at Trophy Lakes. Plan to attend as we meet at 5 p.m. and finish by 6 p.m. This is always a meaningful time to stop in the middle of the busyness of this season and take time to worship together.

I am planning an exciting series of messages from the Prophet Ezekiel beginning in January. **The Ezekiel Code: How to Prosper While Living in Exile.** Spiritually, as followers of Jesus Christ we are living as strangers and pilgrims in the earth awaiting our final home in heaven. Many of us are also learning what it is like to live in a post-Christian world. Ezekiel contains the road map to prosperity for all of us.

December brings some good news for Katie Grace Stephenson. Katie Grace has been with us as a worship leader since she was sixteen. She is a world class Soprano. I always say, there is no stage in the world that is too big for her talent. She is an amazing young lady and one of the godliest people I have ever known. She will be leaving us at the end of December. Our loss is the United States Navy's gain! She will be joining the US Navy and travelling with the performing arts team around the world. We will have a special time to honor her on December 21 for her years of service at The Church at Trophy Lakes.

Exciting days to serve the Lord at The Church at Trophy Lakes. How exciting it is to be on the journey with Jesus and one another.

BLESSINGS,

Pastor Barry

Tens of thousands of Muslims are coming to Christ. What if our service was used and we were able to preach in Farsi to 6 million people through the broadcast? Pray about it.

DISCIPLESHIP HOUR

9am Every Sunday

There is a Bible Study for you every Sunday morning at 9am.

See the insert for a list of classes and topics.

Ezekiel ministered during the days of Exile in a strange land. Found within the numerous prophecies of this book is a code for the prosperity of God's people while they are exiled from their ultimate heavenly home.

END OF YEAR GIVING

Because of your faithfulness we have been able to accomplish many capital projects including repairs to our roof and new paint, Resurfacing damaged tile in the gymnasium, a lengthy and expensive project to provide insulation and heating to our portico entrance that will keep it from freezing in winter (no more water disasters!), and many other projects. Remember your church at the end of the year and thank you for your faithfulness.

PLEASE SEE INSERTS FOR ALL CURRENT BIBLE STUDIES, MINISTRIES, PRAYER MEETINGS & SPECIAL EVENTS.
