

Who We Are

WE ARE A FAMILY OF FAITH that gathers together weekly to worship Jesus Christ and to serve others. We believe that Jesus is Lord. That means all authority has been given unto Him and He is over all things. We choose individually to make Him the Lord of our lives and we assemble together to worship Him with ancient and contemporary expressions of Christian worship.

We seek to obey our Lord and disciple all people in the teachings of Jesus. We believe every believer is empowered by the Holy Spirit and can consistently give witness to the experience of His power in their lives. We seek to be a Spirit-led church that follows His voice and is built up by the revelation of truth from the Father. We believe God gives a five-fold ministry of leadership to the church for the equipping of saints in order that each believer may fulfill the work of ministry. We believe the Holy Spirit empowers every believer with a spiritual gifting that is necessary for the maturity of the entire church.

From the Bishop

WHAT IS YOUR TURNING POINT? In the Book of Amos chapter 4, God declares five separate times, "Yet, you have not returned to Me, says the Lord." It is certain that God works sovereignly in this world to cause people to awaken to a relationship with Him. The tragedy of September 10 when Charlie Kirk was martyred for his faith has caused a deep stirring in our nation, especially among young people. We are going to continue to examine this spiritual movement as we call for people to awake to their need for a relationship with God. Don't miss a single Sunday.

October 5 will be a Day to Honor and Pray for Israel at The Church at Trophy Lakes. **On Sunday morning we will welcome Greg Rosenberg, the Associate Pastor of Messiah's Hope Congregation to speak to us.** His life and testimony will challenge us to understand more fully the Hebrew roots of our faith.

October 5 Sunday night at 6:30 we have the opportunity to host, **A Night of Hope.** Sponsored by Bridges for Peace, we will join simultaneously with groups all over the United States who will gather to honor and pray for Israel.

We are so glad to add **Messiah's Hope Congregation** to our facility. We now have three congregations (plus our Trophy Lakes Academy) that use our facility weekly. Messiah's Hope is led by Pastor Greg Stone. They will be meeting every Saturday at 4 p.m. for worship and teaching. I encourage you to attend this Messianic Congregation as they explore and honor the Jewish foundations of our faith. Come early as they fill up quickly every week.

Exciting days to serve the Lord at The Church at Trophy Lakes. How exciting it is to be on the journey with Jesus and one another.

BLESSINGS,

Pastor Barry
