## Heaven Touched the Earth — and Changed Everything

The Christmas season is a divine reminder that Heaven itself stepped into our world—not wrapped in luxury, but clothed in love. In the stillness of that holy night, *God revealed His glory in the most personal way possible: through the birth of His Son, Jesus Christ.* This was more than a moment in history—it was the miracle of eternity reaching into humanity. Every light that shines, every carol that fills the air, and every heart that pauses in awe echoes the truth that God is with us. *The beauty of this season is* not in the gifts we exchange, but *in the grace we receive.* When we open our hearts to that truth, peace begins to rise, joy takes root, and the presence of God fills our very souls.

*Christmas is the time when Heaven stepped into our world.*

As believers, we carry that same light into a world that often forgets the wonder of the manger. *The glory of God's nature now lives within His people*—calling us to love deeper, give freely, and worship more sincerely. Let every act of kindness and every word of hope remind others that *Jesus still reigns as Emmanuel, "God with us."* Christmas at its purest is the celebration of divine love made visible. *May we, as His Church, shine with the brilliance of His truth and joy, so that others may feel Heaven's warmth through us.*

During this sacred season, may Mount Zion continue to be a beacon of light, hope, and love—reflecting the glory of God in all we do.

From our family to yours...

*Merry Christmas!*
