

# Leverage Your Life - Week 5

Movements of God are **POWERFUL!**

We can't create movement. Only the Holy Spirit of God can bring movement.

What can we do?

We can obey the **PRINCIPLES** of multiplication.

God's global mission demands disciples and churches that **MULTIPLY**.

Genesis 1:28 "...Be fruitful and multiply" (God commands man kind to multiply)

Genesis 8:17 "...be fruitful and multiply" (God commands man kind to multiply)

Genesis 22:17 "...I will surely multiply your offspring" (God says HE is going to multiply)

Acts 6:7 "...and the number of the disciples multiplied greatly" (God started multiplication of disciples in the early church)

Revelation 7:9 "...a great multitude that no one could number"

In the end, through His people, God will have brought about a great multitude!

1. Think multiplication of **DISCIPLES**.

We can be focused on so many things that are not about the **REAL** thing (the Great Commission - to go and make disciples).

When Jesus said "go and make disciples" the word YOU is implied and it's plural - for every follower of Jesus - not just the "professionals."

2. Think multiplication of **CHURCHES**.

The local church is:

- The gathering place to introduce people to Jesus,
- It's the discipleship training center to disciple them into Kingdom living,
- It's the launching pad for the expansion of God's Kingdom to the ends of the earth.

Begin to pray for God's activity of multiplication as it pertains to both disciples and churches.

Look for someone in your circle of influence that you can lead to Christ and begin to walk with them and pour into them.
