

MOSAIC CITY CHURCH SURVEY ON POTENTIAL HAVEN MERGER

**Please return by NEXT Sunday, October 5th to the offering box –OR–
to Pastor Will or a Mosaic Deacon (Scott Lindley, Mike Stewart, Juan Rivera)**

The Mosaic leadership team has produced this general survey to help capture thoughts or concerns of the Mosaic body regarding worshipping with Haven and a possible merger with Haven. We realize not everyone feels comfortable speaking out in a group setting or may need more time for thought. We want unity in the body and want to hear from everyone.

You may sign the survey or you may drop it in the Mosaic offering box unsigned.

1. On a scale of 1 to 10, 10 being most positive, how has Mosaic's time at Haven been for you and your family thus far? *Please add written details if you like.*

2. Briefly describe why you or your family worship at Mosaic; include what you feel is special about the people, worship, teaching and/or leadership. [What do you value about Mosaic City Church?]

3. What concerns, if any, do you have about a merger or combination with Haven Baptist?

4. Are there any specific questions or topics you feel need to be addressed by Mosaic leadership that haven't yet been? [Note: Some areas haven't yet been deeply addressed between churches, but we'd like to capture what the body wants to know going forward.]

5. Has the current blended style of worship that we've had at Haven been conducive to you being able to worship the Lord? Explain if needed.

6. If for whatever reason a merge with Haven does not take place, how far realistically and honestly would your family be willing to travel to a new location?
