

Truth For The World

Reaching the Searching!

Tens of thousands of those searching are finding the *Truth For The World* website! About 95% of those coming to our website do so through an Internet search. People are searching for religious information and answers!

Some of the top things that people are viewing on the website include “Steps to Salvation,” “Science Proves the Bible,” and “Buddhism and the Bible.”

This topic is commonly viewed at the *Truth For The World* website!

Our number of website users has dramatically increased as well! This July, our number of users for 2023 so far is expected to reach the same number as the total amount of website users that we had in all of 2022! **That means that we are on track to have an increase of about 59% of users to our website, most of which are finding us because they are searching!**

I think there are two lessons we can see from this:

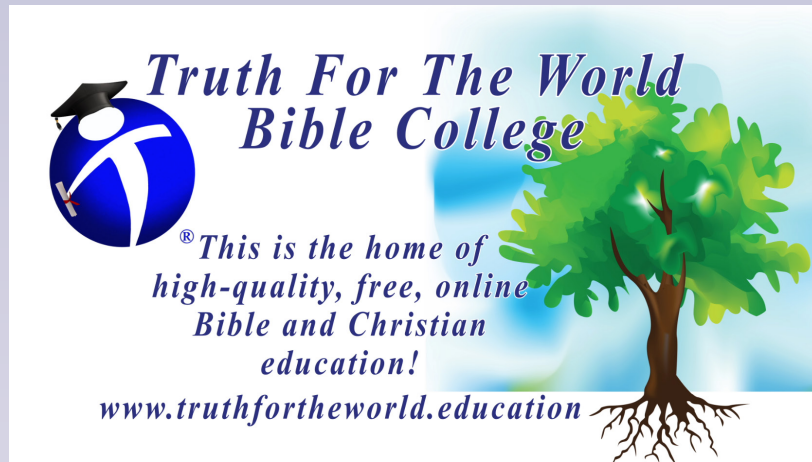

1. **Jesus was right when He said we could be a light in the world.** “*Ye are the light of the world. A city that is set on an hill cannot be hid.*” (Matthew 5:14) As the lighthouse sends out true information in the dark for those searching, our website is able to send out true, biblical information to those in the dark and searching.
2. **The idea that people aren’t interested in the truth or don’t care to seek it out is just another of the devil’s lies.** You don’t have to work at *Truth For The World* long to see people searching for information and coming to our website, signing up for Bible Correspondence Courses, or clamoring for someone to come and preach to them. If you think people aren’t interested, then “*Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest.*” (John 4:35)

Thank you for working with us at *Truth For The World*, whether as a congregation or as an individual, to be a light unto the world!
