

Truth For The World

A Welcome to A Congregation

We're happy to announce that the Lebanon Church of Christ in Lebanon, Virginia is now our overseeing congregation!

We welcome the Lebanon Church of Christ as a coworker to *Truth For The World*. This congregation and its elders are now serving as our overseeing congregation.

The Lebanon Church of Christ is a scripturally-sound congregation that has been in existence since 1960. It is a loving group of people that has exhibited their interest in global evangelism even before joining *Truth For The World*. Their international involvement has included teaching people and training ministers in Africa.

The joining forces of *Truth For The World* and the Lebanon Church of Christ is expected to be a mutually-beneficial situation. While the Lebanon Church of Christ will oversee and promote *Truth For The World*, *Truth For The World* will utilize its talent and materials to offer and develop materials to aid Lebanon in its evangelism, whether domestic or abroad.

We're grateful to the Lebanon Church of Christ for agreeing to oversee this important work of spreading the word of the Bible to as many nations as we can. We look forward to a long and mutually-beneficial association.

We offer our thanks and good wishes to the Bethel Springs Church of Christ in Bethel Springs, Tennessee. Thank you for supporting us these last few years and we wish you much fruit as you go forth and sow the seed in your area of the world.
