New City Catechism

Question 5: What else did God create?

God created all things and all his creation was very good.

Read Mark 7:24-30 out loud as a family. Use the Questions below to lead your family in discussion

Why can't God be with things and people that are sinful or "unclean?"

What is the difference in outside cleanness and inside cleanness? How are we made clean inside?

What does it mean that faith is "persistent?" How do you need to be more persistent?

Why is humility so important when coming to God? Why is pride dangerous?

Pray together as a family

Example Prayer:

"Father, please forgive us for the uncleanness inside of us. Thank you for Jesus who makes our hearts clean as we trust in him. Please make us humble as we see our need for Jesus and give us persistent faith to come to you. In Jesus name, Amen!"
