Hebrews 6:9-20

BIG IDEA: “Our soul is anchored by hope proven in love, patterned in faith, promised by God, and perfected in Christ.”

1. Hope PROVEN in love (Heb. 6:9-12)

“How can you be sure?” He is convinced by proof.

“Our soul is anchored by hope proven in love — love that works, love that serves, love that shows we belong to Him.”

2. Hope PATTERNED in faith (Heb. 6:13-15)

“How can you be sure?” He is convinced by precedent.

“Our soul is anchored by hope patterned in faith — the same faith that waited, trusted, and saw God keep His word.”

3. Hope PROMISED by God (Heb. 6:16-18)

“How can you be sure?” He is convinced by the two unchangeable things.

“Our soul is anchored by hope promised by God — unchangeable, unstoppable, guaranteed by the One who cannot lie.”

4. Hope PERFECTED in Christ. (Heb. 6:19-20)

“How can you be sure?” He is convinced by the gospel.

“Our soul is anchored by hope perfected in Christ - the forerunner who entered God’s presence first so we could follow.”
