

Nothing but Christ
1 Corinthians 2:1-5

BIG IDEA: “Faith is only as strong as the power it’s resting on.”

1. Paul does not come to impress...

Because the gospel is not something to be dressed up, nor can it be — it is something to be revealed.

“Preaching the gospel is not delivering edifying discourses, beautifully put together. It is bearing witness to what God has done in Christ for our salvation.”

2. For I determined to know nothing among you except Christ and Him crucified.

You cannot separate salvation from the cross, nor discipleship from dying.

3. I was with you in weakness and in fear and in much trembling.

The more we know Christ, more we understand our own depravity, the more we feel our insufficiency — not as despair, but as dependence.

*i. “The way we dress, the way we walk and talk... It’s all protection, layers or armor so the world doesn’t see **us**... Take that away, what are we? Weak, afraid, and trembling. Wholly dependent on God.”*

4. Revelation over Persuasion Only God can save.

“Paul is not anti-words — he is anti-words pretending to have saving power.”
