Help!

We need... Caring People

What You'll Be Doing

- Helping to connect with our homebound members by phone calls, visits, etc.
- Visit church family in the hospital, care facilities, etc.
- Work with the pastor and a team of other caring people to meet these needs.
- Help the pastor and other team members follow up with prayer requests.

What You Should Know

- No previous experience or special knowledge is necessary. Training & shadowing opportunities will be provided.
- While transportation is helpful, there are tasks that can be done from home and/or the church without transportation.
- Teens and adults of all ages are welcome to sign up.
- You can commit as much time to this as your schedule allows. That's why it's a team effort.
