

Atonement's "Feed the Need" Drive for Brookridge!

August 2025

The teachers at our neighborhood school, Brookridge Elementary, appreciate having a variety of snacks on hand in the classroom for their students – and we have learned there is also a need for personal hygiene items. Help us help them!

- The snacks should be **individually wrapped & nut-free**.
- Anything that doesn't need to be refrigerated is ideal.
- Gluten-free snacks are also appreciated, as they have a few students who require gluten-free options.
- Family-sized personal hygiene items are most helpful.

Snack Suggestions (** favorites)

** Cheez-Its	Animal crackers
**Goldfish crackers	Crackers
Breakfast/Granola bars	Pretzels
Pirate's booty	
Applesauce packets (no spoon required)

Shampoo	Deodorant

You may leave your donations at the green Outreach table near the *Connect & Serve* counter **August 3rd – 31st**.
