CONNECTION OPPORTUNITIES

CARE TEAMS:

A Care Team is a team of mature Christian women that agree to support a Legacy Lady on their journey. When you serve on a Care Team you are part of a team with several other women that maintain a regular line of communication with the NLH staff. You will be placed on a group text with the staff and other Care Team members on your assigned lady's team. The Care Team can spend time one-on-one with their Legacy Lady, groups of two, three, or more from the team members. The important element is that the Care Team communicate with the NLH staff so that you all know the Legacy Lady has consistent support. The Care Team will work as a team to provide true discipleship for the Legacy Lady through all emotions including pain, anxiety, triumphs, joys, and victories.

TRANSPORTATION TEAM:

The Transportation Team plays a vital role in supporting our residents by providing rides to and from work, appointments, church, and special events. This team ensures that our ladies can stay on track with their commitments and responsibilities while feeling supported and cared for. It is a practical but powerful way to serve and build relationships along the way.

- Pray for people and businesses to partner with us for transition housing.

ADOPT LUBBOCK

LANE OVERVIEW

Adopt Lubbock was born with a desire to see children supported and cared for outside of the womb. Due to the rising costs of private adoption and the numerous hurdles within foster care, we want to come alongside families to support them financially, emotionally, and practically as they open their homes to children in need.

NEW VISION PROJECTS

One of our greatest needs right now is funding to support families pursuing private adoption, as the costs grow and can feel overwhelming for many. We're also praying for a lawyer who would be willing to offer guidance or services to families navigating legal challenges. In the foster care system, the most urgent need is both support for current foster families and more families willing to step into the calling of fostering. If you feel led to give, serve, or connect us with someone who can help in these areas, your involvement could make a life-changing impact.

2025 Raised: \$9,195.63

Goal: \$30,000

WINS

- 15 families have been helped with their adoption journeys
- Funded the installation of the Levelland Safe Haven Baby Box
- Provided many meals, goodie baskets, clothes, car seats and mattresses to those who new adoptive families or who are fostering.
- Provided Christmas gifts for Levelland Foster Ranch
- Partnered with the Heart Gallery to display the beautiful faces of children in need of homes.

PRAY

- Pray that the Lord draws more families to our ministry—that those who are considering adoption in our church and around the city of Lubbock would feel safe and supported in reaching out.
- Pray to always have discernment in whom to help as we serve in this ministry. Adopt Lubbock is honored that so many trust our ministry with their hard-earned money, and we desire the wisdom to steward it wisely.
- Pray that our small acts of obedience will create waves of transformation that will go far beyond Church on the Rock.
- Pray for strategic connection in the community. For divine connections that build bridges that will multiply our impact
- Pray for lasting and wide-reaching impact in the kingdom.
- Pray that Adopt Lubbock will be a source of hope and healing throughout our city and region.
- Pray that the Lord lets our ministry bring him glory, while bringing children into families filled with grace and truth.
