To create a future where every individual thrives in a dignified, supportive environment, empowered to unlock their potential and contribute to a flourishing community.

We envision communities where the conditions for flourishing—safety, belonging, opportunity, and hope—are intentionally cultivated. Our work creates space for people to rebuild with dignity and step into their full potential.

Project Goal: \$100,000

Project Purpose: Purchase/renovate/build a home for an individual or family who is needing a fresh start. This project exemplifies their mission: creating a safe, dignified space for a family to continue healing and take their next step.

FOREIGN PARTNERS

MINISTRY: NEW LIFE CHILDREN'S HOME, GUATEMALA

NLCH in Villa Nueva, Guatemala is a refuge and a safe haven for orphaned, abandoned and abused children. Our passion and purpose are the nourishment and healing of mind, body and soul for children in crisis. The provide love, safety, shelter, food, medical care, education, recreation, discipleship and a family in which to belong.

NEW VISION PROJECTS (CON'T)

MINISTRY: MISSION OF HOPE, DOMINICAN REPUBLIC/HAITI

As an organization following Jesus Christ, we exist to bring life transformation to every man, woman, and child. We do this through church advancement, education and food security.

Project Goal: \$100,000 - \$300,000

Project Purpose:

There are three current projects that each cost \$100,000.

- **Warehouse at Jarbacoa, DR Campus:** The project will allow MOH to expand their meal packing program for those in need in the DR, with the vision of one day packing DR resourced grain and sending it to Haiti as well as meet the needs in the DR. It will also allow visiting teams to pack meals to take out with them to help the local church meet the needs in their communities.
- **Two new vehicles for DR Team:** MOH currently have 3 cars from Haiti that have to go back to Haiti by law. MOH needs to raise the funds to buy two new vehicles in the DR that will be used to do ministry through the country.
- **Ship 1 million meals to Haiti:** This is the greatest need in Haiti right now and is the number one thing pastors are requesting to help their people. This is the front edge for MOH to meet needs and share the Gospel.

MINISTRY: TONY & CARRIE TAYLOR, GLORY RANCH RETREAT CENTER, GUATEMALA
