

2025

YEAR END REPORT

Dear NCC Family

"We believe the Lord is continuing His work in and through New Covenant Church and the days ahead are filled with hope"

As we bring another year to a close, I am deeply thankful for the faithfulness of God and the way He continues to move among our church family. Looking back on 2025, we are reminded that every season, every step forward, and every moment of growth has been guided by His hand.

This year-end report offers a glimpse into the story God has been writing at New Covenant Church. Through worship, ministry, service, and fellowship, we have seen lives impacted and hearts drawn closer to Christ. These moments, captured throughout these pages, represent far more than events or milestones. They reflect obedience, faithfulness, and a community committed to following Jesus together.

Throughout this year, we have experienced God's provision in both expected and unexpected ways. We have celebrated victories, walked through challenges, and grown stronger as a church family. In each season, God has remained steady, shaping us, stretching us, and calling us deeper into His purpose.

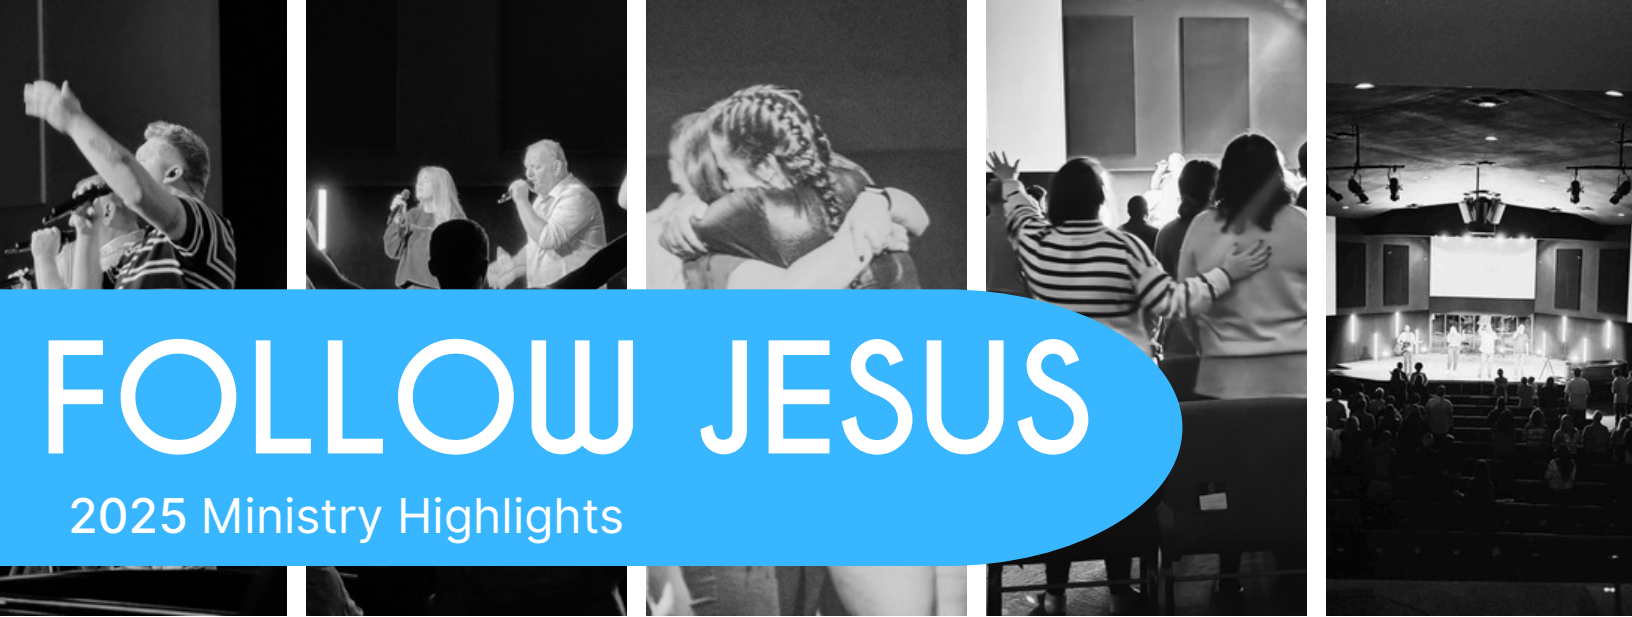

As you take time to reflect on this past year, I pray you will be encouraged by what God has done and inspired by what is still ahead. While this report looks back with gratitude, it also points us forward with hope. We believe the Lord is continuing His work in and through New Covenant Church, and we are excited to step into the future with faith, unity, and expectancy.

Thank you for your prayers, your generosity, and your commitment to this church family. It is a privilege to serve alongside you. Together, we will continue building God's Kingdom, trusting Him fully as He leads us into the days ahead.

A handwritten signature in black ink, appearing to read "Josh Dawalt".
