## *Reflections:*

- ① How do Proverbs prepare us for life's complexities?
- ② How would you put the message of Proverbs 1:8-19 in your own words?
- ③ Who could be "the crowd" in your world today? In what ways are people enticed to go along with everyone else?
- ④ The temptation to "ensure a devious profit" is common to all cultures and societies. Why is this harmful?
- ⑤ What could the allure of profit look like if it presented itself to you? How can you build in some safeguards to prevent you from giving in?
