

Embrace, Equip, Empower

"Those who are planted in the house of the Lord shall flourish in the courts of our God" - Ps. 92:13

At Hope Church YYC, we are committed to obey the greatest command our Lord Jesus gave us: Loving God and Loving People in the same way that He loves us!

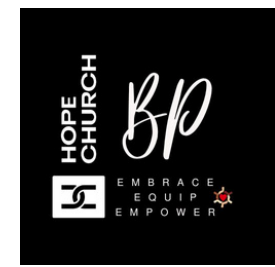

In seeing what God has been doing among us as a church; the people He is bringing, the lives changed, and the prayers answered, it is time to take the next steps.

We are growing and want to facilitate growth with excellence, building HOPE for our community both in-person and online!

We have come a long way – but we are just getting started!

There is nothing more important than loving and building people. The entire heart of God for people is to Embrace, Equip, and Empower

So, we are launching the “Building PEOPLE” Campaign. We are asking each one to prayerfully consider contributing something significant and meaningful beyond your regular giving. Our regular giving is so critical to meet the needs of our current monthly expenses, but with every person participating generously in faith, we will be able to resource the expanded facility with the people resources and equipment needed to fulfill our church vision, reach our community, invest in our kids, bless our youth and young adults, support our teams, and change lives!
