

What we expect from Life Group leaders...

1. I see Frontline Church as my 'home church' in Liverpool in this season of my life. (We appreciate that for students in particular this may be a seasonal commitment).
2. I attend Sunday morning services whenever I am able to - including Sundays when I am not serving.
3. I understand and agree with the beliefs, values and vision of the church.
4. I am willing to learn, meeting with leaders for training and support and to be held accountable.
5. I live to seek and make an impact for the Kingdom of God.
6. I give financially to the church.
