

A LETTER FROM Pastor Jason

Dear Grace Bible Church Family,

As we come to the close of another remarkable year, my heart is overflowing with gratitude for what God has done in and through our church. 2025 has been a year of momentum — a year where we've seen the hand of God moving powerfully among us.

We've witnessed lives transformed as men, women, and children have come to know Christ as their Savior. Each testimony represents the incredible grace of God at work and reminds us why we exist as a church — to see lives changed by the gospel. We've celebrated this new life through many baptisms this year, each one a beautiful declaration of faith and a public step of obedience to Jesus.

Our church family has also continued to grow. God is bringing people from all walks of life into our community — people hungry for truth, belonging, and purpose. What a joy it has been to welcome new members into the Grace Bible Church family and to see them step into serving, connecting, and growing in Christ.

One of the highlights of this year has been our deepening partnership with Grace Hispana. Together, we've been the hands and feet of Jesus to our neighbors — meeting practical needs, supporting families in crisis, and sharing the hope of the gospel across language and cultural barriers. This partnership has been a powerful reminder that the Kingdom of God knows no boundaries, and that we truly are one body in Christ.

As we look ahead, I believe God is calling us to keep the momentum going. The mission of Grace Bible Church — to empower a movement of people to live and love like Jesus — remains as vital as ever. Let's continue to serve with joy, love with compassion, and give generously so that the message of Jesus can reach even more people in our city and beyond.

Thank you for being a faithful part of what God is doing here. Your prayers, your generosity, and your willingness to serve are making an eternal difference.

Let's finish this year strong — and step boldly into the next, ready for all that God has in store.

Learning to live and love like Jesus together with all of you,
