

KEY SCRIPTURE

1 John 4:19 "We love because he first loved us."

TAKEAWAY

THE MOST DIFFICULT THING IN THE BIBLE WE ARE ASKED TO BELIEVE IS HOW MUCH WE ARE LOVED BY GOD.

QUESTIONS

- 1) We love God because He first loved us. When you think about your daily interactions, do you believe others are actually experiencing the love of God through you? What might be getting in the way?
- 2) 1 John 3:14 says that loving others is evidence of our salvation. How does this truth bring confidence to your faith and address any doubts you may wrestle with?
- 3) Wally reminded us that God's love cannot be stopped (Romans 8:38-39). How does this assurance empower you to live boldly and securely in your faith, regardless of circumstances?

PUT IT IN ACTION

This week, take intentional steps to both receive and reflect God's love:

Daily: *Spend time in prayer, intentionally receiving God's love for you. Ask Him to show you how He loves you personally.*

Outward: *Show that love to someone specifically this week; through encouragement, generosity, forgiveness, or an intentional act of kindness. Be a channel of His unstoppable love.*
