2026-2028 FINANCIAL CAMPAIGN THEME: REST & ACCELERATION

**Whoever believes in
me, as the Scripture has
said, 'Out of his heart
will flow rivers of living
water.'**

John 7:38

Dear Church Family,

We are excited to share with you the strategic plan that God has graciously given us for the next three years. This vision is not just a set of goals it is a prayerful road map shaped by the Spirit, rooted in Scripture, and directed by our shared calling as the body of Christ.

As we look ahead, we do so with faith, purpose, and unity, believing that God is leading us into a season of growth, transformation, and deeper impact in our community and beyond. This plan reflects our commitment to discipleship, outreach, service, and spiritual maturity.

Together, let us step forward with confidence, knowing that “He who began a good work in us will carry it on to completion until the day of Christ Jesus” (Philippians 1:6).

Our Theme for the next three years is REST & ACCELERATION. This is a season of resting in God's presence while experiencing supernatural acceleration in His promises. In this Season we are Resting in His Word, and His will, while The Lord is Accelerating in purpose, favor, and impact.

Thank you for being part of this journey. May God bless our efforts as we follow His lead in the years to come.

In Expectancy,

Joel & Dinora La Torre
Senior Pastors

Our Strategic Plan

Over the next three years, we will concentrate on FIVE key areas that we believe are essential for advancing our vision and mission here at Living Water Church.

The Great Commission - Sharing the Gospel

Evangelism is our commitment to share the life-changing message of Jesus Christ with love, clarity, and compassion. We believe every believer is called to be a light right where they are and to carry the hope of the gospel into their families, workplaces, neighborhoods, and the world. Through intentional conversations, Spirit-led outreach, and authentic relationships, we seek to introduce people to Jesus and invite them into a growing relationship with Him. Evangelism is not just a program; it is our lifestyle and one of the core values that drives our vision and mission. Our goal is to make Christ known so that lives are transformed, communities are impacted, and the Kingdom of God continues to expand.

Increasing LWGroups in Discipling New Believers

Strengthening our efforts to walk alongside new believers, helping them grow deeply in their faith, understand the Word, and live as devoted followers of Christ.

Preparing The Next Generation

Investing intentionally in our youth and young adults raising up the next generation of leaders, servants, and disciples for Christ.

Our Strategic Plan

Over the next three years, we will concentrate on FIVE key areas that we believe are essential for advancing our vision and mission here at Living Water Church.

Ministerial Education

Equipping and empowering our ministers, leaders, and members through solid biblical teaching, leadership training, and spiritual development.

Revitalization of Our Ministries

Breathing new life into existing ministries, ensuring they are Spirit-led, impactful, and aligned with the needs of our church and community.

The FIVE key steps for 2025-2027 provide a clear and unified pathway for our church to grow spiritually, serve effectively, and reach our community with purpose. These steps keep us focused on what truly matters and help every member understand how to move forward in their walk with Christ. By defining these five key points, we create alignment ensuring that our ministries, decisions, and efforts all work together toward the same God-given direction. They allow us to measure growth, stay accountable, and build a healthy, vibrant church culture where everyone knows their place and purpose. Most importantly, these steps help us fulfill the Great Commission with clarity, intentionality, and excellence, so that lives are transformed and Christ is glorified in everything we do.

YOUR FINANCIAL SUPPORT

3 YEAR FINANCIAL CAMPAIGN

Our 2026-2028 Financial Campaign is designed to enable us to expand our impact, strengthen our ministries, and meet the spiritual and practical needs of our community. These contributions are separate from your tithes and offerings and will be 100% allocated to our next generation.

The session of borrowing is coming to an end! Our goal is to raise funds to purchase a new building that will serve as a vital space for our community and, more importantly, ensure the church's longevity. We are seeking a commitment of 200 pledges for \$50 each, monthly, for the next 3 years. This initiative will enable us to gather the necessary down payment, ensuring we can secure a building that meets the church's growing needs. With your support, we can create a lasting impact and provide a welcoming environment for all. Jesus promises, "For where two or three are gathered in my name, there am I with them". Together, we can make this vision a reality.

Below are four frequency options to fulfill a pledge for a year. An individual is not limited to one pledge. The church's "WeAreLWC" app can be utilized to set the determined frequency and provide peace of mind that it's being fulfilled as desired.

Pledge of:				
\$50.00				
	Weekly Total	Bi-Weekly Total	Monthly Total	Year End Total
Pledge	\$11.54	\$23.08	\$50.00	\$600.00

To fulfill this vision, we need the full support of our congregation. Not just a few people carrying the weight, but the entire church moving forward together in unity. Every gift matters. Every commitment matters. Every step of faith matters.

We are asking each family, each individual, to take time to pray seriously and sincerely about how you can be part of this. Ask God what He is calling you to give. Ask Him how He wants you to stretch your faith. We're not asking out of pressure. We're asking because we truly believe God has given us a vision worth investing in.

We cannot do this without you. This is a defining moment for our church.

A New Ministry **RECOVERY MINISTRY**

We are excited to announce the launch of a powerful new ministry that we believe is close to God's heart **Our Recovery Ministry**. This ministry is being birthed out of a deep burden to bring healing, hope, and restoration to individuals who are struggling with addiction, brokenness, and life's many challenges.

Our mission is to provide a safe, Christ-centered environment where individuals can experience true freedom through the power of the Gospel, guided support, and a loving community that walk alongside them.

To bring this vision to life, we are asking for your prayerful and financial support. As church members, your generosity will help us:

- Provide supplies and resources
- Offer counseling and pastoral care
- Create a welcoming, healing space
- Train volunteers and leaders to walk with participants
- Extend outreach to those in need within our community

No gift is too small, and every offering is a seed sown into transformed lives. If God places it on your heart, we encourage you to give toward this ministry above your regular tithes and offerings. You can contribute during our weekly services or through our giving platforms by designating your gift to "Recovery Ministry."

Let us be the hands and feet of Jesus together, bringing living water to those who are thirsty for healing and hope.

Thank you for your support, your prayers, and your heart for people.

With faith and expectation,
The Leadership Team
