## Precios Pals

Spring is finally here! We are so excited to explore all the changes and fun the new season will bring. We will be learning about special things that happen during spring like different kinds of weather, new things blooming and growing, and baby animals. This month on Monday, April 8th there will be a special solar eclipse. As a class we will be talking and learning about outer space, the sun and the moon as an exciting way for your littles to connect with what is going on around them. We will also be learning about games, taking turns and following directions as we learn about bowling and building on their many skills learned this year.

## Field Trip

Let's go bowling! Thursday, April 11th, with Ms. Linsey's older class we are going to explore the bowling alley. The kiddos will get to see how the behind the scenes work, have a snack, and bowl a game with their friends. The cost is \$6! More info is attached to this newsletter on the permission slip. Please return it signed with money by Thursday, April 4th. Please have your littles wear their class field trip t-shirts on field trip day :)

As we transition into a childcare/preschool the timeline for usual registration is different than in the past. At this time enrollment for next fall is not quite open yet. As we work on timeline and details we will keep you posted. :) If you have any additional questions feel free to check in with Ms. Karla.

Thursday, April 11th/ Bowling Alley Field Trip  
Thursday, April 18th/ Ms. Janelle from HPL visits  
Thursday, April 25th/ May tuition due

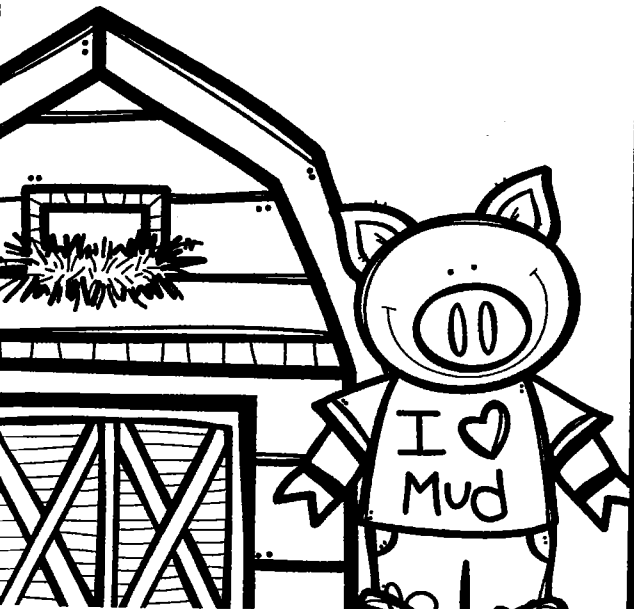

## Bible

This month we will be looking at one of Jesus disciples, Paul. He lived a Godly life and wanted to share the gospel with others. Paul shared the message calling us to put on the armor of God and prepare for the battles we may face with the lord. Ephesians 6:11-13 "Put on the armor of God, so you can stand against the devil". God Bless Ms. Bethany

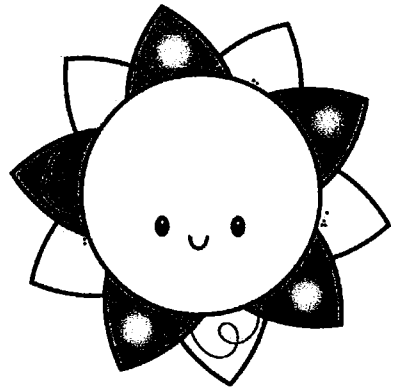

## Looking Ahead

We hope everyone has a wonderful spring break and Happy Easter. It's hard to believe we are coming up on the end of such an amazing school year. As a reminder mark your calendar for Thursday, May 11th as our last day of school.

@ Lili Sprouts Pre-K
