## Bible

Jesus taught us to love one  
another. We will be exploring how  
God has called us to love during this  
month. How he wants us to love  
everyone, our neighbors and our  
enemies. Our verse this month is  
John 3:16 "For God so loved the  
world that he gave his only son,  
that whoever believes in him shall

## Preschool News

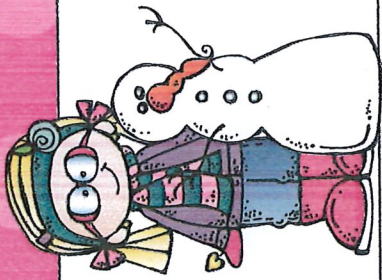

We will be celebrating Valentine's Day with lots of talk of how great it is to love Jesus, our friends and families. We will help your littles decorate and prepare a Valentine bag for Valentine treats and cards that everyone may start bringing on Monday, Feb 5th. You will help your child make this "special delivery." The bags will be placed in the hallway in alphabetical order to make delivery easier. There is a class list attached so you may help your littles match their card to their friends name. I would encourage you to let your child try and write their own name or first couple of letters of their name. We will celebrate and open cards Feb 12.

## Preschool News

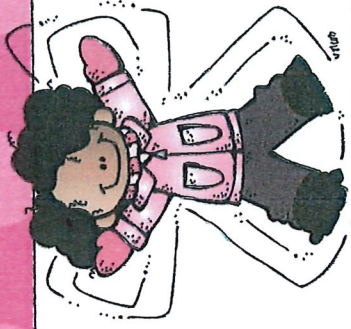

This month we will be learning all about the post office, how it runs and how we get our mail. On Thursday February 8th, we will be getting a special visitor! A mailman from Hagerstown post office will visit the preschool. Your littles will get to see a real mail truck, his trusty mailbag, and how much mail he travels with in his cool truck. We will also have mail we will give to him to be mailed Special Delivery to their own houses.

February is dental health month. After our Valentine and mail units we will move on to learning about taking care of our teeth and making healthy choices. This month we will keep practicing writing all the letters of our name, working on AB patterns and introducing ABC patterns. We will also introduce rhyming words. Your littles are amazing learners!
