

OCTOBER NEWSLETTER

Precious Pals

Fall is my favorite season, it's so great to watch all the changes that happen through the eyes of your littles. This month we will be learning so many new things using the supplies the season has given us, like apples, pumpkins, and leaves! The kiddos are working so hard on identifying their names and beginning to write their first letter. They are fast learners. As a class this month we will continue to learn our friends names, practicing cutting skills, fire safety, focus on same and different, differentiate between large and small and as always following multi-step directions.

Happy Halloween

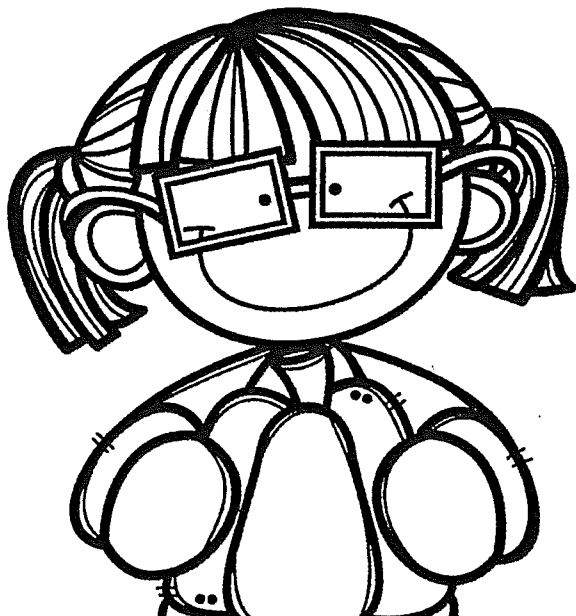

Pajama Day!

It would be fun to see everyone all dressed up in their costumes! However, the logistics of getting everyone in and out of their costumes, restroom breaks, over heating, lost pieces ect... make it impossible. So we cannot dress up. We don't want to miss out on celebrating fall traditions so we are going to have a Pajama Day! On Monday Oct 30th, please have your little wear their favorite jammies!

In-House Field Trip

Thursday, October 19th firefighters from the New Lison Volunteer department will visit us! They will bring a firetruck for us to explore along with the gear they wear to keep them safe and chat with us about fire safety. Please have your little wear their newly made PP t shirts. Exact times of the visit will be posted on class tag as the day gets closer.

OCTOBER NEWSLETTER

Bible

I have enjoyed getting to know know your children and sharing the Word with them. This month, we are going to look at a variety of old testament stories and how those people served God. We will talk about Moses, David, Daniel and his friends and Jonah and the whale. The Memory verse is from Daniel 3:17 "The God we serve is able to save us". We will be singing "This Little Light of Mine" and "What a Mighty God we Serve" Thank you for allowing me to shine the light of Christ to your children.

Miss. Bethany
