I'm so excited for the beginning of the school year! It's such an amazing time. I am Ms. Danielle your child's teacher and I am blessed to have a front row seat to all the changes and growth that will happen from now until May. We stay very busy in our classroom learning, growing and building skills. Social development and emotion are so important at to understand and learn at this age, we will focus on working with your littles to learn a sense of self, self regulation, conflict resolution, building relationships and making friends. Your littles will begin to learn about print concept, how to hold our pencils and trace left to right

and top to bottom, working on recognizing our names, learning basic colors, basic shapes, cutting, sequencing, numbers 1-5, practicing routine, phonological awareness, love of reading and so much more. We will start our year learning and practicing our routine and how to follow directions. We will learn about red choices and green choices and how to make friends with our new classmates.

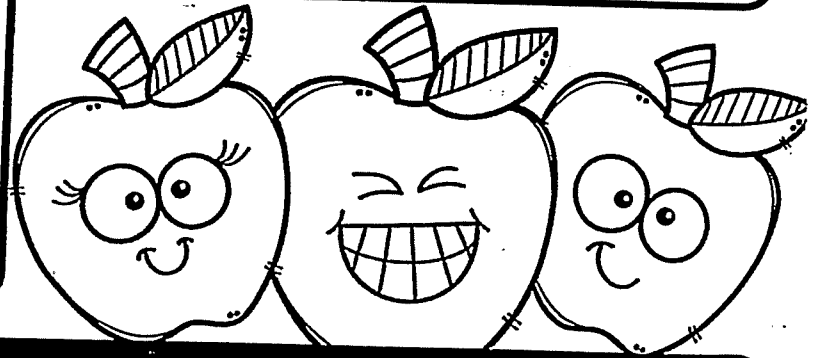

Miss Bethany will be the assistant in our room as well as the Bible teacher! We are both so excited to teach your littles. You will also see Ms. Stacy, Ms. Linsey, and Ms. Karla out and about some but they are mostly in the older room classroom.

Bible

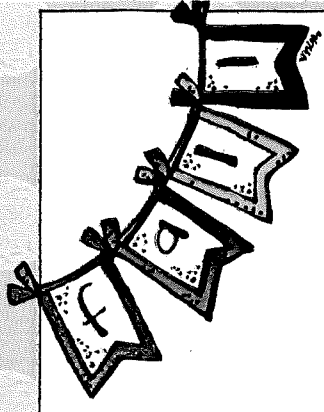

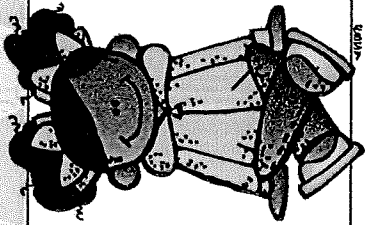

Hello, My name is Bethany Hobson. I have the privilege to assist with the younger class as well as teach your children about God's Word. This month we are going to learn how Jesus loves us, the Promises God keeps and explore the book of Genesis (Creation, Noah, and Abram). Each month, there will be a memory verse for your children to learn. This month it will be: 1 John 4:8 "God is Love". Thank you for allowing me to shine the light of Christ to your children.
Miss Bethany

In the October newsletter, we would like to send home names (student & parents) and phone numbers of classmate. We like to share friends contact info so you can arrange playdates with each other. If you do not want the above information to be given out, please let us know. The church website will have our newsletters and calander, a great option if youn misplace your paper copy www.ntcc.us

Ms. Janelle from HPL will bring the library experience to us! Her bag of tricks will include reading a story, singing songs, doing fingerplays, etc. creating a playful setting one time each month, as she shows us all the joys of the library. Reminder to keep up with class tag for pictures and updates through the week

September Song 

Open Shut Them

Open shut them
Open shut them
Give a little clap clap clap
Open shut them
Open shut them
Lay them in your lap, lap, lap

The more we get together

The more we get together
Together, together
The more we get together
The happier we'll be

'Cause your friends are my friends
And my friends are your friends
The more we get together
The happier we'll be
Oh, the more we get together
Together, together
The more we get together
The happier we'll be

Days of the week (adams family tune)

Days of the week. *(Snap fingers twice.)*

Days of the week. *(Snap fingers twice.)*

Days of the week. Days of the week.

Days of the week. *(Snap fingers twice.)*

There's Sunday and there's Monday,
There's Tuesday and there's Wednesday,
There's Thursday and there's Friday,
And then there's Saturday.
