

Bus Ministry

DON'T LET THAT STOP YOU, CALL US!

Mission – The mission of the Bus Ministry is to provide a means of transportation for all who are in need to come to worship in God's House. We dedicate ourselves to the advancement of Kingdom of God by providing a safe and convenient way for those in need of transportation to attend various church services and functions.

Purpose

Our primary purpose is winning souls for Christ through evangelizing the surrounding communities by providing bus transportation to and from CTC and other Christian activities. We desire to reach families with children; infants up to and including teenagers.

We serve with a smile, a prayer and a promise to obey God's command to be disciples.
