

YOUTH MINISTRY INFORMATION SHEET

Our primary purpose for this ministry effort is “So the next generation would know—even the children not yet born—and they in turn, would tell their children. That they might set their hope in God, and not forget His deeds, but keep His commandments.” [Psalm 78:6-7](#). Our desire is to assist youth in learning about God and developing a personal relationship with Him through belief in Jesus Christ. Provide youth opportunities to increase and apply knowledge of biblical principles, serve in the church and community, communicate their faith and worship God in a context that applies to their age group and interests. All activities are centered on the following categories: worship, evangelism, community service, Christian education, spiritual growth, leadership and Christian fellowship.
