## WELCOME CREATION CHRISTMAS

We're so glad that you're here today! Whether its your first time at church, or it's been a while or you come every week, we believe that you're not here by accident. It is our great pleasure to host you and your crew today for Creation Christmas 2025 @ The Thompson Public School Auditorium. We have a ton of fun things planned for this service and are just so thankful you're here! We've been praying for you during the whole month of December and it is our firm belief that this Sunday hold something life changing for you.

There's something really special about this time of year, and it all goes back to a holy night about 2000 years ago. God did something in incredible as He entered our world as one of US, a human! How?! Why?! Why would God leave all the power and glory of Heaven to come down to this crazy world? There are very long and beautiful answers to those questions but the short version is that God became human because of great His love for you and for me. We've done nothing to earn His love, or to deserve the kindness that He shows us single everyday but He still made the first move that we celebrate this time of year called Christmas.

*Therefore the Lord himself will give you a sign. Behold, the virgin shall conceive and bear a son, and shall call his name **Immanuel**.* Which means... God With Us.

**Isaiah 7:14**
