Faith Does

Thank you to Ray Stipp and Greg Hatfield for teaching our past two Wednesday Bible Classes. If you were unable to attend, you missed some great messages from God's Word! So, let me catch you up so you can join all of us in what we learned.

Ray spoke on God's Kingdom and the amazing truth that we who follow Jesus live in God's Kingdom now. Therefore, our lives should demonstrate the effect of that Kingdom life in the present as well as in our hope for the future. This was Jesus' first sermon message and the message He lived as our King!

Greg focused on the word radical. The etymology comes from the Greek word that means to be rooted. He linked to Jesus' parable of The Sower and how the plants that thrived were those that were rooted in the good soil, did the work to actively grow, and receive the nutrients and water that caused them to flourish and create good fruit. The other soils caused faith to spoil, but the good soil brought forth faith that lives!

~ Tye

Words can not express how much we appreciate all of the prayers, calls, visits, cards, and food after we lost Noah.

We are so thankful for our church family!

HEBREWS

CHAPTER 12:1-2

Therefore,
since we are surrounded by
so great a cloud of witnesses,
let us also lay aside
every weight, and sin
which clings so closely,
and let us run with endurance
the race that is set before us,

looking to Jesus,
the founder and
perfector of our faith,
who for the joy that was
set before Him
endured the cross,
despising the shame,
and is seated at the right
hand of the throne of God.
