

FAITH & HOPE & LOVE
but the greatest of these is love

July 13, 2025

*By faith Noah, being warned by God
concerning events as yet unseen,
in reverent fear constructed an ark
for the saving of his household.*

*By this he condemned the world and became
an heir of the righteousness that comes by faith.*

Faith to Prepare for the Storms

With the historical, archeological and geological evidences for a worldwide flood, I am often amazed as others call it a fairy tale to denounce the flood as a real event. But then I remember there were times I had doubt and wondered if the stories I was taught in God's Word are true.

Every time I had doubts, I learned of more evidence of this amazing flood event. I have learned that all around the world, we are finding recorded histories that document a huge flood, depicting the same time. I have learned of fossil records of numerous animals that were preserved in the act of living, in the same layer of time. I have learned that mountains rose up and valleys were pressed down in this similar period and that there may be more water under the Earth's crust than we have previously imagined.

Before it happened, Noah did not know about a worldwide flood. He didn't have any earthly evidence of even what rain could be. He simply trusted God at His Word and prepared for the storm by building an Ark.

Jesus told us there would be storms in our lives, and that we will be prepared for them by having faith in Him!

Baptism,

*which corresponds to this, now saves you,
not as a removal of dirt from the body
but as an appeal to God for a good conscience,
through the resurrection of Jesus Christ,
who has gone into heaven and is at the right hand of God,
with angels, authorities, and powers
having been subjected to Him.*

1 Peter 3:21-22
