

C                    G                    Em     D            C  
**Everyone needs compassion,** love that's never failing, let mercy fall on me  
                         G                    Em     D  
Everyone needs forgiveness, the kindness of a Savior, the hope of nations

G                    D                    C     G            Em     D  
**Savior, He can move the mountains,** my God is mighty to save, He is mighty to save  
                         G                    D                    C            G            Em            D  
Forever, author of salvation, He rose and conquered the grave, Jesus conquered the grave

C                    G                    Em     D            C  
**So take me as You find me,** all my fears and failures, fill my life again  
                         G                    Em            D  
I give my life to follow, everything I believe in, now I surrender

C                    G                    D     Em            C     G            G  
**Shine Your light and,** let the whole world see, singing, for the glory, of the risen King, Jesus  
C                    G                    D     Em            C     G            D     G  
Shine Your light and, let the whole world see, singing, for the glory, of the risen King
