

Introduction

Welcome to Grace Christian School!

As a Christ-centered, college-preparatory school, Grace Christian School's desire is to partner with Christian parents in teaching and training young people to have a mature faith in Jesus Christ, a love for learning, the tools to lead, and the desire to serve. This Handbook contains the policies and guidelines that will guide our partnership. These policies are not intended to be restrictive and legalistic, but rather liberating and enlightening. It is the purpose of Grace Christian School that you will read, understand, and follow the policies of this handbook as we will form a supportive community of faith with a common purpose--to develop and educate the whole student to the glory of God.

Mission Statement

To prepare students to be fruitful in God's kingdom by teaching needed skills and encouraging a close, personal relationship with our Lord and Savior, Jesus Christ.

Administrative Discretion

The intent of this handbook is to give general guidelines for students and parents. Sometimes new situations will occur or circumstances may arise that are not specifically covered in this handbook and the administration reserves the right to exercise its discretion in responding to these new situations.

- We do not discriminate on the basis of race, color, birth gender, or national or ethnic origin in administering its educational policies, admission policies, programs, and other school-administered policies.
- GCS makes no distinction concerning an individual's race or ethnic background because we acknowledge that there can be no preferential treatment with God (Romans 2:11). We are bound to extend our ministry to all we can reach if we carry out our Lord's Great Commission (Matthew 28:18-20).

Being distinctly Christian, Grace Christian School emphasizes the need for a personal commitment to Jesus Christ. Accordingly, students and their families are encouraged to be faithful attendees of a local Christian church.

Financial Responsibility

Tuition for 1st through 8th grade is \$1750.00 per quarter.

Tuition for 9th through 12th grade is \$1950.00 per quarter.

Tardy to School

Grace Christian begins its day with school-wide praise and worship, Chapel service. This is a time dedicated to worshiping God through song, scripture, devotions, and in preparing our hearts and minds for the day. This period between 8:00 and 8:45 is an integral part of our day and is considered both vital and curricular. When students arrive late, they disturb the spirit of worship for those in attendance as well as miss the opportunity themselves. For this reason, we require all students to arrive at school and to report to Chapel on time.

Three (3) tardies will result in one absence.

Field Trips

Field trips and school events are designed as part of the curriculum. Therefore, all students are expected to attend all field trips and school activities.

- If, for any approved reason, a student cannot participate in a field trip or co-curricular activity, the teacher will assign an alternate project that approximates the time and learning missed.

Volunteers/Visitors

Grace Christian School encourages positive parent interaction in our school, especially in chapel. We at GCS also need, and encourage volunteerism. If you would like to volunteer at GCS, please inform administration and get prior approval.

Discipline Policies

- The Bible clearly indicates that parents are responsible for the discipline (that is, training or instruction) of their children. Grace Christian School exists to assist parents in their God-ordained responsibilities. Therefore, GCS seeks not to assume the task which God gives to parents, but only to serve as the parents' appointed and authorized representatives in each child's training, in a limited way.
- In formulating a philosophy of education and discipline, GCS has attempted to align itself as closely as possible with the Bible's instructions to parents so as to provide the utmost consistency for the child between training at home and training received at GCS. In that same spirit, GCS likewise assumes parents will direct and discipline their children accordingly.
- If parents have chosen to follow a different course in directing and disciplining their children, then parents and students should realize that

Grace Christian School may not be the choice in education that suits their needs.

- Discipline may be correctly viewed as both a process and a product. God expects parents or other authorities to discipline children so as to produce a child who consistently becomes a more self-disciplined adult, requiring less supervision as he matures. He, then as a self-disciplined adult, assumes the role of training the next generation.
- God's ultimate purpose in charging parents with this task is to prepare children to enter into and mature within His spiritual family, and to respond to Him with respect and obedience on the basis of their former training by their parents.
- GCS's philosophy of education and discipline exists to serve and further this ultimate spiritual goal. God-given responsibilities in the disciple process exist not only for parents and teachers; they exist likewise for students.
- Students are to respond to GCS staff members with appropriate respect and courtesy. Any failure to maintain a biblical attitude of respect and obedience toward GCS authority, which manifests itself in improper behavior or violated standards, **BOTH ON AND OFF CAMPUS**, will result in disciplinary action appropriate for the violation.
- Major disciplinary offenses will first result in verbal warning. The second offense will result in a written warning, and the third may result in sending the student home, up to and including suspension or expulsion.
- After various forms of discipline have been attempted to correct an issue, temporary suspension from school may be enforced. If suspension is deemed necessary by staff, the student will be given a written warning, and then upon continued disobedience suspension will take place. The number of days and the form of suspension is at the discretion of the staff.
- A suspension does not release the student's responsibility of completing schoolwork.
- Grace Christian School expects that parents will support the administration in such disciplinary action by encouraging obedience and respectfulness.
- Only while operating within the above philosophy of discipline can the educational process reach its maximum potential.
- Grace Christian School is committed to the philosophy and principles of Christian education. Student conduct against GCS philosophy will not be tolerated.
- The guidelines listed in this handbook are based on Christian principles, appropriate standards of conduct, and common sense.
- Guidelines provide boundaries for security and freedom. We trust that our students will respond with positive attitudes and conduct.

General Disciplinary Information

Standard of Conduct

Students will cooperate with the spirit and regulations of the school and will respectfully maintain prescribed standards of dress and conduct. We believe God's laws are an aspect of God's love. The direct commands of God in the Bible are to be part of the student lifestyle. These commands are absolute and do not vary with time, culture, or interpretations. For example, stealing, drunkenness, dishonesty, cheating, occult practices, and transgender or homosexual behaviors are forbidden, and the promotion of any of these activities is prohibited. Attitudes such as lust, hatred, rebelliousness, and jealousy also displease God. Although our handbook deals primarily with behavior, we are also very concerned about attitudes and motivation.

Respect and Courtesy

GCS students are expected to be courteous and respectful in all situations and in all locations.

Disrespect takes many forms, including, but not limited to the following:

- "sassing" or talking back to a teacher, or other students.
- name-calling, slander, purposely leaving out of activities.
- willful disobedience (delayed obedience is also disobedience)
- willful damage to property, horseplay,
- willful damage to another's self esteem
 - including unkind or derogatory remarks, and
- disrespectful body language.

Weapons

In accordance with state policy, any student possessing or suspected of possessing a deadly weapon on school property or at school functions shall be reported to the appropriate police authority. The student will be disciplined in accordance with the outcome of the police investigation.

Harassment

Sexual, racial, or personal harassment or intimidation by students will not be tolerated. Such actions will be the basis for disciplinary actions up to and including dismissal from school. Students who feel that they are victims of such actions are encouraged to file a complaint with a principal or other faculty/staff member. Students will not suffer any retaliation for filing a complaint. Complaints will be investigated promptly and may include filing a report to the appropriate police authority.

Students dismissed for disciplinary reasons will not be readmitted without review and approval of the school administration. Generally a one-year waiting period must pass prior to reapplication.

Social-Networking Websites and Blogs

All students will be held accountable for what they text or post on blogs and on social-networking websites such as Facebook, Twitter, Instagram, Snapchat, etc. Student sites will not be regularly monitored, but the administration will investigate all concerns brought by students, parents, or community members. Any evidence of illegal or inappropriate behavior posted on the internet will be grounds for disciplinary action.

Grace Christian school counts it a privilege to instruct your children in academics and the ways of the Lord. We are honored by your trust and want to encourage and nurture an open dialogue moving forward.
