In His message to the church in Thyatira, Jesus praised them for their good deeds. However, He issued a stern warning regarding their tolerance of Jezebel's corrupt influence, which led to idolatry. While we may not physically bow to idols today, idolatry remains prevalent in our hearts. This internal struggle is something many Christians face.

We invite you to join us as we delve into the fourth letter to the Seven Churches and explore its profound lessons.

For questions or for more information, please contact Pastor Kenny Stidham.
