Read John 10:1-21

Did anything stand out either from Alex's message or reading through John together?

Jesus says the sheep recognize His voice. **What do you think it means for you to recognize Jesus's voice? What are some of the obstacles that you may need to remove in order to "hear" Jesus' voice?** *(By Jesus's voice, we mean to understand where He is leading you, though it could be audible, it will mostly come to you by direction/discernment).*

In our passage, there was a division between people who thought Jesus was demon-possessed and people who thought He was from God. **What is the difference in heart posture between the two groups? What led each group to make that conclusion about Jesus?**

Alex said that the Gospel will either capture our hearts or leave us calloused. **If you were to be honest, would you define your heart as captured or calloused as of late? What makes you say that answer?**

How does the care of Jesus differ from that of the "hired hand" in our passage?

We need to accept being sheep; sheep are easily deceived, necessarily dependent, and deeply loved. **What is your initial reaction and thoughts to being a sheep?**

Beware: there are thieves and robbers. **What are some of the thieves and robbers that we have? Why is it important to be aware of the realities of these thieves and robbers?**

Men's/Women's Time (if applicable)

Have a time of sharing. (i.e. Share highs/lows in this season, needs in your home/community, etc.)

PRAY for one another.
