Read John 11:28-37

What stood out to you from Clayton's Sermon?

What are the most relatable aspects of Martha in this passage?

Both Mary and Martha expressed belief that Jesus could have prevented Lazarus's death.

How does this passage challenge your understanding of God's timing?

What are the characteristics of Jesus you trust the least? *(Is it easier for you to call him a good teacher instead of a healer, Lord, provider, etc?)*

What does it actually look like to run into the presence of Jesus? *(Share about what your "quiet time" looks like. You could talk about your prayer life, you could share where you feel inadequate in your relationship with Jesus.)*

What about this passage or what Clayton shared compels you to run into the presence of Jesus?

Share a story of how the community at Fellowship or somewhere else pointed you to Jesus in the midst of turmoil.
