**FAST** - We will have a day of fasting during Awaken. If you are concerned about the fast day and how it may affect you physically, please consult your doctor. You can begin preparing for that day now by reducing your carb intake and increasing your protein. Also, begin to eliminate caffeine from your diet. You will not have any caffeine on the day of the fast. Lack of caffeine can cause MAJOR headaches. We cannot stress this enough! You may also want to try a day of fasting before you attend The Awaken. Fasting is spiritual discipline. You need to prepare your heart as well as your body. Romans 1:20 tells us that the character of God is clearly seen in what He has made; therefore, they day of fasting will be an experienced entirely outdoors (moderate

physical exertion may be required). Dress appropriately if the forecast is calling for rain. The Retreat Center is Located in Lake City Mi.

Please let your family members know that you will not be talking to them again until Sunday when you see them at church.
