VISION STATEMENT

We desire to make whole disciple of students who **Know** Christ, **Grow** in their relationship with Him and others, and **GO** into their community, and the world to make disciples of Jesus Christ.

MISSION STATEMENT

We will accomplish this vision through helping our student cultivate a love for God and others through studying the **Bible**, confessing and holding to the core **Beliefs** of the Christian faith, which will allow the Holy Spirit to conform their **Behaviors** into the image of Christ.
