Connecting, Equipping, and  
Supporting Today's Thought Leaders

# About

---

Kingdom Pastors Network is an association of pastors that is interdependent in functionality, yet each maintains autonomy. This fellowship, unified in the belief that there is one Lord, one faith, and one baptism (cf. Eph. 4:5), has a common global mission as articulated in Matthew 28:19, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost."

# Our Mission

---

Kingdom Pastors Network is designed to provide a platform and an environment where pastors can convene for the purpose of empowering, equipping, and mentoring them to establish Kingdom dominion on the Earth.

We aspire to promulgate the Kingdom of God by working cooperatively and corporally. Our standards of operation and principles flow directly from the Bible – the Word of God.
