Community Service and Engagement

Attention all High School Students and Parents: We are excited to share that Pastor Garrett and our high school ministry are going to El Valle, Panama, to work with communities who are desperate to know the truth of the Gospel. This specific mission team will have the opportunity to teach crafts, music and games as they seek opportunities to share the Gospel and their personal testimonies with the local people of Panama. There will also be opportunities for local community service projects. This is an amazing trip that requires team members to walk between three and five miles each day as they go back and forth sharing the Gospel. We ask that you prayerfully consider this trip and get involved in bringing the Gospel to the Nations. Mark your calendar for this exciting opportunity!
