In an effort to understand your vision concerning your ministry, please attach a one page essay to be submitted with this application.

I understand that I am applying for participation in a certificate program of Bible study. The required courses will prepare me for different areas of ministry but completion of them by no means evidences a calling. I understand that receiving credentials from FPBI is not a promise for employment or placement, my goal is spiritual, my destiny comes from God. I covenant to submit myself to leadership and counsel in my pursuits.
